

POLICY FOR GRIEVANCES REDRESSAL

February 2021

POLICY FOR GRIEVANCES REDRESSAL

1. Introduction

Customer complaints are part of the business life of any corporate entity. This is more so for Banks because Banks are service organizations. As a service organization, customer service and customer satisfaction is the prime concern of the Bank. The Bank believes that excellence in customer service is its prime motto; providing prompt and efficient service should get paramount importance in its business policies.

This Policy document aims at minimizing instances of customer complaints and grievances through proper service delivery and review mechanism and to ensure prompt redressal of customer complaints and grievances. The review mechanism is aimed at helping identification of shortcomings in product features and service delivery. Bank is fully aware that customer dissatisfaction would spoil Bank's name and image. The Bank's Policy on grievance redressal follows the under noted principles.

- ❖ Customers be treated fairly at all times.
- ❖ Complaints raised by customers are dealt with courtesy and on time.
- ❖ Customers are fully informed of avenues to escalate their complaints/grievances within the organization and their rights to alternative remedy, if they are not fully satisfied with the response of the Bank to their complaints.
- ❖ Bank will treat all complaints efficiently and fairly as they can damage the Bank's reputation and business if handled otherwise.
- ❖ The Bank employees must work in good faith and without prejudice to the interests of the customer.

In order to make Bank's redressal mechanism more meaningful and effective, a structured system has been built up towards such end. Such system would ensure that the redressal sought is just and fair and is permissible within the given framework of rules and regulation. The Policy document would be made available at all branches. The concerned employees shall be made aware about the Complaint handling process.

1.1 The customer complaint arises due to;

- a. The attitudinal aspects in dealing with customers.
- b. Inadequacy of the functions/ arrangements made available to the customers or gaps in standards of services expected and actual services rendered.

The customer is having full right to register his complaint if he is not satisfied with the services provided by the Bank. He can give his complaint in writing, orally or over telephone. If customer's complaint is not resolved within the prescribed time or if he is not satisfied with the solution provided by the Bank, he can approach Banking Ombudsman with his complaint or other legal avenues available for grievance redressal.

2. Internal Machinery to handle Customer complaints/ grievances

2.1 Customer Service Committee of the Board

This sub-committee of the Board would be responsible for formulation of a Comprehensive Deposit Policy incorporating the issues such as the treatment of death of a depositor for operations of his account, the product approval process and the annual survey of depositor satisfaction and the triennial audit of such services. The Committee would also examine any other issues having a bearing on the quality of customer service rendered. This Committee would also review the functioning of Standing Committee on Customer Service.

2.2 Standing Committee on Customer Service

Executive Director of the Bank will chair the Standing Committee on Customer Service. Besides two to three

senior executives of the Bank, the committee would also have two to three eminent non- executive(s) drawn from the public as members. The committee should have two customers of the branch as members out of which one should be a senior citizen. The committee would have the following functions.

- ❖ Evaluate feedback on quality of customer service received from various quarters. The committee would also review comments/feed-back on customer service and implementation of commitments in the Code of Bank's Commitments to Customers received from BCSBI.
- ❖ The Committee would be responsible to ensure that the Bank follows all regulatory instructions regarding customer service. Towards this, the committee would obtain necessary feedback from regional managers/ functional heads.
- ❖ The committee also would consider unresolved complaints/grievances referred to it by functional heads responsible for redressal and offer their advice.
- ❖ The committee would submit report on its performance to the customer service committee of the board at quarterly intervals.

2.3 Nodal Officer and other designated officials to handle complaints and grievances

The following executive of the Bank would be the Principal Nodal Officer to handle complaints and grievances:

Chief Operating Officer
CEO's Secretariat
Federal Towers, Bank Junction, Aluva, Kerala -683 101

The name and contact details of nodal officer(s) will be displayed on branch notice boards. Zonal Managers shall be Customer Relation Officers at Zonal Offices to handle complaints and grievances in respect of branches under their control. Further, the Bank will designate Nodal Officers wherever necessary, considering the Geographical grouping of branches, either consisting of different States in a Single zone, or different Zones in a single State.

2.4 Internal Ombudsman

Under the Internal ombudsman scheme the Bank had appointed Internal Ombudsman (IO). The Scheme is introduced with the object of enabling a proper and speedy resolution of complaints of Bank customers at the Bank level by an independent apex level authority within the Bank thereby minimizing the number of cases referred to Ombudsman. The IO scheme provides a settlement which may be acceptable to the Bank as well as customer. The customer, if not satisfied with the settlement offer, will however be at liberty to appeal to the Banking ombudsman of Reserve Bank of India.

3. Mandatory display requirements

Bank shall provide –

- ❖ Appropriate arrangement for receiving complaints and suggestions.
- ❖ The name, address and contact number of Nodal Officer(s)
- ❖ Contact details of Banking Ombudsman of the area
- ❖ Code of Bank's commitments to customers/Fair Practice code

4. Resolution of grievances

Branch Manager is responsible for the resolution of complaints/grievances in respect of customer service by the branch. He would be responsible for ensuring closure of all complaints received at the branch. It is his

foremost duty to see that the complaints are resolved completely to the customer's satisfaction and if the customer is not satisfied, then he should be provided with alternate avenues to escalate the issue. If the branch manager feels that it is not possible at his level to solve the problem he can refer the case to Zonal Office/Nodal Officer for guidance. Similarly, if Zonal office/Nodal Officer finds that they are not able to solve the problem such cases may be referred to the Principal Nodal Officer.

In accordance with the Bank's Loan Policy, all complaints relating to loans advances will be resolved in a judicious and expeditious manner.

4.1 Time frame

Complaint shall be seen in the right perspective because they indirectly reveal a weak spot in the working of the Bank. Complaint received shall be analyzed from all possible angles. Specific time schedule is set up for handling complaints and disposing them at all levels including branches, Zonal and head office. Branch manager shall try to resolve the complaint within specified time frames, decided by the Bank.

Communication of Bank's stand on any issue to the customer is a vital requirement. Complaints received, which would require some time for examination of issues involved, shall invariably be acknowledged promptly.

Branch and Zonal office shall send action taken report on complaints received to the head office at the end of every quarter.

While the Bank shall endeavor to reduce all complaints in the shortest possible time, it is recognized that longer time would be required to resolve complaints relating to Point of Sales (POS) and e-commerce. This is due to the dependency on external parties. Such complaints will be resolved within a period of 45 days.

Complaints received by the Bank directly from customers that relate to third party products will be forwarded to the relevant third party providers by the Service Quality Department. The Department will liaise with the third party providers to ensure satisfactory resolution. Such complaints will be resolved within a period of maximum 30 days.

5. Interaction with customers

The Bank recognizes that customer's expectation/requirement/grievances can be better appreciated through personal interaction with customers by Bank's staff. Structured customer meets, say once in a month will give a message to the customers that the Bank cares for them and values their feedback/suggestions for improvement in customer service. Many of the complaints arise on account of lack of awareness among customers about Bank services and such interactions will help the customers appreciate Banking services better. As for the Bank, the feedback from customers would be valuable input for revising its product and services to meet customer requirements.

6. Sensitizing operating staff on handling complaints

Staff shall be properly trained for handling complaints. We are dealing with people and hence difference of opinion and areas of friction can arise. With an open mind and a smile on the face, we shall endeavor to win the customer's confidence.

Imparting soft skills required for handling irate customers, will be an integral part of the training programs.
